

Schedule for B.Tech. VIII Semester Special Back Paper Examination 2011

| Date     | Day       | Timing of Paper | Code    | Subject                       |
|----------|-----------|-----------------|---------|-------------------------------|
| 13.09.11 | Tuesday   | 2 to 5 P.M.     | TEC 801 | Wireless Communication        |
|          |           |                 | TEE 802 | EHV A.C. & D.C. Transmission  |
|          |           |                 | TME 802 | Automobile Engineering        |
|          |           |                 | TCE 801 | Transportation Engineering II |
| 14.09.11 | Wednesday | 2 to 5 P.M.     | TEE 021 | Modern Control System         |
| 15.09.11 | Thursday  | 2 to 5 P.M.     | TEE 032 | Power Converter Applications  |

Schedule for B.Tech. VII Semester Special Back Paper Examination 2011

| Date     | Day       | Timing of Paper | Code    | Subject                       |
|----------|-----------|-----------------|---------|-------------------------------|
| 14.09.11 | Wednesday | 2 to 5 P.M.     | TEC 702 | Electronics Switching         |
|          |           |                 | TCE 701 | Design of Steel Structures    |
| 15.09.11 | Thursday  | 2 to 5 P.M.     | TCE 703 | Water Resources Engineering I |

Schedule for B.Tech. VI Semester Special Back Paper Examination 2011

| Date     | Day       | Timing of Paper | Code    | Subject                     |
|----------|-----------|-----------------|---------|-----------------------------|
| 13.09.11 | Tuesday   | 2 to 5 P.M.     | TCS 603 | Artificial Intelligence     |
|          |           |                 | TIT 601 | Software Project Management |
| 14.09.11 | Wednesday | 2 to 5 P.M.     | TME 601 | Operation Research          |
|          |           |                 | TIT 602 | ERP Systems                 |
| 15.09.11 | Thursday  | 2 to 5 P.M.     | TEC 601 | Digital Communication       |
|          |           |                 | TME 602 | IC Engines                  |
| 16.09.11 | Friday    | 2 to 5 P.M.     | TEC 602 | Digital Signal Processing   |
|          |           |                 | TEE 601 | Power System Analysis       |
|          |           |                 | TME 603 | Machine Design II           |
|          |           |                 | TCE 602 | Concrete Structure II       |
| 17.09.11 | Saturday  | 2 to 5 P.M.     | TEC 603 | VLSI Technology & Design    |
|          |           |                 | TEE 603 | Power Electronics           |
|          |           |                 | TME 604 | Fluid Machinery             |

|          |         |             |                               |  |
|----------|---------|-------------|-------------------------------|--|
|          |         |             | TCE 603                       | Geotechnical Engineering II  |
| 19.09.11 | Monday  | 2 to 5 P.M. | TEC 604<br>TEE 604<br>TME 606 | Microwave & Radar Engineering<br>Switchgear & Protection<br>Refrigeration & Air Conditioning |
| 20.09.11 | Tuesday | 2 to 5 P.M. | TAS 601<br>TCS 605            | Industrial Management<br>Object oriented Systems & C++                                       |

Schedule for B.Tech. V Semester Special Back Paper Examination 2011

| Date     | Day       | Timing of Paper | Code                          | Subject   |
|----------|-----------|-----------------|-------------------------------|---|
| 14.09.11 | Wednesday | 2 to 5 P.M.     | TCS 501                       | Computer Graphics   |
| 15.09.11 | Thursday  | 2 to 5 P.M.     | TCS 502<br>TIT 501            | Compiler Design<br>E-Commerce   |
| 16.09.11 | Friday    | 2 to 5 P.M.     | TCS 503                       | Design Analysis of Algorithms   |
| 17.09.11 | Saturday  | 2 to 5 P.M.     | TCS 504<br>TIT 502            | Principle of Programming Languages<br>Introduction to Web Technology            |
| 19.09.11 | Monday    | 2 to 5 P.M.     | TCE 501                       | Structural Analysis II  |
| 20.09.11 | Tuesday   | 2 to 5 P.M.     | TME 502<br>TCE 502            | Machine Design I<br>Concrete Structure I  |
| 21.09.11 | Wednesday | 2 to 5 P.M.     | TEC 501<br>TEE 501<br>TCE 504 | Principles of Communication<br>EMEC II<br>Geotechnical Engineering I            |
| 22.09.11 | Thursday  | 2 to 5 P.M.     | TEC 502<br>TEE 503<br>TME 503 | Analog Integrated Circuits<br>Elements of Power Systems<br>Dynamics of Machine  |
| 23.09.11 | Friday    | 2 to 5 P.M.     | TEC 503<br>TME 504            | Microprocessor & Applications<br>Manufacturing Science II                       |
| 24.09.11 | Saturday  | 2 to 5 P.M.     | TEC 504<br>TEE 502            | Automatic Control System<br>Control System                                      |
| 26.09.11 | Monday    | 2 to 5 P.M.     | TEC 505<br>TEC 506<br>TME 505 | Antenna & Wave Propagation<br>Communication Engineering<br>Heat & Mass Transfer |

Schedule for B.Tech. IV Semester Special Back Paper Examination 2011

| Date     | Day       | Timing of Paper | Code                                     | Subject   |
|----------|-----------|-----------------|--|---|
| 19.09.11 | Monday    | 2 to 4 P.M.     | TCS 402                                  | Unix & Shell Programming  |
| 20.09.11 | Tuesday   | 2 to 5 P.M.     | TCS 403                                  | Theory of Automata & Formal Languages   |
| 21.09.11 | Wednesday | 2 to 5 P.M.     | TCS 404<br>TEE 405<br>TEE 406<br>TEE 407 | Data Base Management System<br>Electrical Machines<br>Energy Conversion<br>EMEC II  |
| 22.09.11 | Thursday  | 2 to 5 P.M.     | TEC 402<br>TCS 406<br>TEE 406<br>TCE 401 | Analog Integrated Circuits<br>Software Engineering<br>Elements of Power Systems<br>Hydraulics & Hydraulic Machines  |
